

SICILIAN CHRISTMAS

Welcome to the Sicilian Christmas. This is the time when the richly set tables are the center of each family. In the land of Cannoli and Panettone, the holiday feast is a special highlight. Therefore we invite you to indulge in the Italian way of life with our Sicilian Christmas specials between December 24 and 26, 2022.

To spend a carefree time, eating, laughing and celebrating together our private dining studio is available as well.

HAPPY STEAK HOLIDAYS

There is hardly anything more beautiful than to devote yourself completely to the pleasure of a snowy winter's day. From December 24 to 31, 2022, you can look forward to festive highlights on the menu, as only the best prime cuts of Austrian meat make it onto our original Jospir grill.

For all late risers who still want to continue celebrating in the new year, we are hosting the first late steakbrunch "New Year's Edition" on January 1, 2023 - from 3:00 p.m. you can enjoy an extended Sunday brunch for 180€ per person including Laurent Perrier Champagne and selected wines.
